- (c) Special Terms & Conditions,
- (d) Technical Bid and
- (e) Financial Bid

Administrative Secretary, WBCADC/ Officer in Charge of concerned CADC Project/ Programme Coordinator(or Programme Coordinator in Charge), KVK, Sonamukhi will play the role of Project Engineer/ Project Director/ Dy. Project Director, WBCADC/ T.O. KVK (as applicable in specific case) for imposition of different clauses and for other works narrated in enclosed tender form.

20. Eligibility criteria for participation in the tender.

- i) Intending tenderers should produce credentials of a similar nature of supply of the minimum value of 30% of the estimated amount put to tender during 5(five) years prior to the date of issue of this tender notice; or
- ii) Intending tenderers should produce credentials of 2(two) similar nature of supply, each of the minimum value of 20% of the estimated amount put to tender during 5(five) years prior to the date of the issue of the tender notice; or
- iii) intending tenderers should produce credentials of one single running work of similar nature which has been completed to the extent of 75% or more an value of which is not less than the desired value at (i) above,

In case of running supply, only those tenderers who will submit the certificate of satisfactory running work from the concerned Executive Engineer, or equivalent competent authority will be eligible for the tender. In the required Certificate it should be clearly stated that the work is in progress satisfactorily and also that no penal action has been initiated against the executed agency, i.e.- the tenderer.

Copy of work order & Payment Certificate will not be treated as "Credential" under any circumstances. Credential certificate issued by the Executive Engineer or equivalent or competent authority of a State/ Central Government undertaking, Statutory/ Autonomous bodies constituted under the Central/State statute, on the executed value of completed/running work will be taken as credential.

The Credential certificate for completed works, should contain (a) Name of work, (b) the name of client, (c) Estimated amount put to tender, (d) Schedule month and year of commencement and completion as per work order, (e) Actual date of Completion of work, (f) Gross bill amount of the completed work/executed value of running work and detail communicational address of client must be indicated in the credential certificate. In case of running work, the credential certificate should contain the gross bill amount of executed items of works in addition to information as furnished in above. In both completed/running works detail communication address of the client must be indicated in the credential certificate. Along with BOQ of the same must be given.

21. No. price preference and other concession will be allowed.

22. The intending tenderers are required to quote the rate online.

23. Prospective applicants are advised to note carefully the minimum qualification criteria as mentioned in "instruction to bidders" stated in Section – 'A' before tendering the bids.

24. On receipt of intimation from the appropriate authority, earnest money deposited by the unsuccessful tenderers will be refunded from the office of the undersigned. The earnest money of the tenderers other than 03(three) lowest tenderers will be refunded within 10(ten) days after the comparative statement of rates obtained has been prepared checked and approved by the competent authority. The earnest money of

02(two) lowest tenderers out of 03(three) will be refunded within 07(seven) days after issuance of supply order to the lowest tenderers.

25. In case of successful tenderers, in general the deposited earnest money will be refunded from the office of the undersigned, after completion of the satisfactory supply in all respect and necessary testing of machineries in presence of the representative of the project including submission of test certificate as applicable

26. Addenda to this tender document if issued must be submitted along with tender documents.

27. The intending bidders shall clearly understand that whatever may be the outcome of the present invitation of bids, cost of bidding shall not be reimbursed by the Corporation. The Administrative Secretary, WBCADC reserves the right to accept or reject any offer without assigning any reason whatsoever and is not liable for any cost that might have been incurred by any tenderer at the stage of bidding. Cost of tender documents (tender fees) submitted by the participant tenderers are nonrefundable.

28. This N.I.T. shall form a part of the contract document. The successful bidder on acceptance of his bid by the Accepting Authority will sign the contract consisting of N.I.T., all tender documents forming part of the bid as uploaded at the time of invitation of bid, the rates quoted online at the time of submission of bid and acceptance thereof together with any correspondence leading thereto and WBCADC Form No. 102 (Tender Form).

29. SECURITY DEPOSIT/ PERFORMANCE SECURITY:-

The Employer shall retain 1(one) % as Security Deposit/Performance Security of the gross amount due to the contractor from each payment/R.A. bill (including Final bill).

The total Security Deposit/ performance Security [01(one) % as deducted from different R/A & Final bills and the Earnest money of the successful bidder converted to Security Deposit/ performance Security] will be repaid to the contractor only successful completion of Defect liability/Guarantee obligation period and the Engineer in Charge has certified that the contractor has satisfactorily carried out all rectification work, if any, as per contract. In case of successful bidder, who during our scrutiny was also found eligible for non submission of Earnest Money along with his tender, 2% of "Contract Price" of the work will have to be submitted by him before execution of Agreement in the form as per direction to be set in the Letter of acceptance within the specified time limit as Performance Security

30. It may clearly be understood that the quantity of materials as indicated in the BOQ/SOQ are approximate only and may be appreciably decreased /increased as the desires of the authority during the actual execution. The contract shall remain unaffected by such deviations.

31. Tenderers should also study carefully the content of N.I.T. and other tender documents before submission of the tender in order to be conversant with the provision stipulated in the N.I.T., Tender form, Special terms & conditions, technical specification etc. Subsequent plea for ignorance of terms and conditions of the N.I.T. and other tender documents shall not constitute a ground for preferring a claim of any nature.

32. The Defect Liability period/ Guarantee obligation period is 01(One) years calculated from the completion date.

33. The percentage of variation of item of work for which there shall be no increase in rates shall be 80%.

34. Rate quoted by the different tenderers for the supply should be inclusive of all taxes, duties, transportation etc. and for these nothing will be paid extra. Bidders should consider all such costs at the time of quoting their rates in tender.

35. Taxes will be deducted from the Running/Final bill as per norms in vogue.
