The package number and UTR number should be clearly mentioned on the deposit challan. Payment made otherwise will be rejected.**
- Tender Inviting authority reserves the right to ask the bidder for submission of any document in original during evaluation of technical bid for verification.
- The results of the technical evaluation shall be made public on e-procurement systems following which there will be a period of **two working days** during which any bidder may submit complaint which shall be considered for resolution before opening the financial bid.
- The Financial bid document of the technically qualified bidders will be opened for evaluation and the financial bid of non-qualified bidders will remain unopened. No separate intimation will be given for this, unless the above date is changed. In case of change of date, due intimation will be given on-line. No individual intimation will be given.
- The Zonal Superintending Engineer reserves the right to accept or reject any bid, and to cancel the bidding process and reject all bids, at any point of time prior to the issuance of Approval of Tender, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the authority's action.
- The intending Bidders must inspect the alignment of the proposed road site and other site condition before quoting their rates.

The Qualification criteria for the works have been elaborated in details in the **Standard Bidding Document (SBD)**.

Availability of Bid Document and mode of submission: The bid document is available online and bid should be submitted online on website **www.wbtenders.gov.in**. The bidder would be required to register in the web-site which is free of cost. For submission of bids, the bidder is required to have valid Digital Signature Certificate (DSC) from one of the authorized Certifying Authorities (CA). Aspiring bidders who have not obtained the user ID and password for participating in e-tendering in RURAL ROAD WORKS may obtain the same from the website: **www.wbtenders.gov.in**. Digital signature is mandatory to participate in the e-tendering. Bidders already possessing the valid digital signature issued from authorized CAs can use the same in this tender.

Only online submission of bids is permitted, therefore; bids must be submitted online on website **www.wbtenders.gov.in**. The technical qualification part of the **bids will be opened online at 11.00 Hours on 20/03/2023** by the authorized officers. If the office happens to be closed on the date of opening of the bids as specified, the bids will be opened online on the next working day at the same time.

The bids for the work shall remain valid for acceptance for a period not less than one hundred and Twenty (120) days after the Opening of Financial Bid.

Bidders may bid for any one or more of the works mentioned in the Table above. To qualify for a package of contracts made up of this and other contracts for which bids are invited in the same NIT, the bidder must demonstrate having experience and resources sufficient to meet the aggregate of the qualifying criteria for the individual contracts.

Other details can be seen in the Standard Bidding documents and this SBD will be the part and parcel of the Contract. The Employer shall not be held liable for any delays due to system failure beyond its control. Even though the system will attempt to notify the bidders of any bid updates, the Employer shall not be liable for any information not received by the bidder. It is the bidders' responsibility to verify the website for the latest information related to the tender.

The amount of earnest money is 2% of the estimated cost of construction

All duties, taxes, GST, royalties, cess, [including 1% cess under W.B. Road/Building and other Construction Workers (Regulation of Employments & Condition of Service) Act, 1996], toll, taxes and other levies payable by the Contractor under the Contract to the State / Central Government for any other cause, **shall be included in the rates**, prices and total Bid price submitted by the bidder.

To keep the road in good condition during the next two (2) years/1 Year as motioned in the above table after the completion of the construction if any additional / excess work is required, the same will be treated as defect liability and the Contractor has to do the maintenance work at his own cost.
