B.13. 3. The EMD of the unsuccessful Quotationer shall be refunded after finalization of the quotation and also within reasonable time not exceeding 2 (t w o) month from the date of final acceptance of the Quotation. The EMD will carry no interest.

B.13. 4. In the case of the successful Quotationer, the EMD will be converted in to security deposit at the time of execution of agreement. The security deposit will be refunded to the party immediately after payment of final bill.

B.14. Quotation Opening Date and Venue

Quotationers will be opened at the appointed date & time and at the venue mentioned in Section A of this Notice in presence of the Quotationers or their authorized representatives, if they are willing to remain present at the time of opening. The WBSRDA will scrutinize the quotation documents on the same day in presence of all the Quotationers. The scrutiny will cover the mandatory compliance criteria only as mentioned in the quotation document. The Quotationers, which are found complete and conforming to the mandatory compliance criteria, shall be declared valid Quotations.

B.15. Discrepancies in Quotation

In case of discrepancies in quotation, the following measures will be adopted to correct the errors for the purpose of evaluation.

- In case of discrepancy between the original and copies of quotation, the original quotation will be considered valid for acceptance.
- In case of discrepancy between figures and words, the words will be considered for acceptance.
- Arithmetical error may be corrected keeping intact the unit price and the quantity.

B.16. Quotation Acceptance & Rejection

- Quotationers must provide response to all sections and requirements of this document so as to be considered complete. Failure of the quotationer to comply with any part of this document may result

- WBSRDA reserves the right to reject any Quotation or the entire quotation process without assigning any reason whatsoever.

B.17. Authorized Representatives

Any action required or permitted to be taken, and any document required or permitted to be executed may be taken or executed by the officials authorized for the purpose.

B.18. Quotation Evaluation Process

A single step quotation procedure will be used for the evaluation. Under this process, the WBSRDA shall examine the quotation and may make shortlist of quotations taking into consideration the completeness of the quotation.

B.18.1. The selection/acceptance of the Quotation shall be made by the Tender Committee of WBSRDA

B.18.2. The accepting authority reserves the right to reject any or all of the Quotations received, without assigning any reasons whatsoever to the intending participants including the lowest bid offer received.

B.18.3. The lowest rate / fee would not be the sole criteria for selection of Consultant / Firm / Individual. WBSRDA South 24 Parganas division will select the Consultant / Consultancy Firms / Individual on the basis of their profile, previous work and experience in this field and finally rate offered.

B.19. Payment

B.19.1. Payment is likely to be made after submission of the Bill/Claim as per accepted rate.

B.19.2. GST: Any additional Tax on account of GST shall be borne by the Quotationer.

B.19.3. Quotationers will be fully responsible to labor payments, accident, mis happening, damages & other labor welfare & safety measures.

B.19.4. 100% payment will be made after final acceptance by the competent authority through WBSRDA.

B.20. Award of Contract

Letter of Intent (LOI) will be issued to the successful Quotationer after evaluation of the financial bid.

Before issue of the formal work Order, WBSRDA will enter into a contract with the selected Quotationer on the terms and conditions provided herein.

B.21. Work Completion

If any part of the service in respect of the work assigned and undertaken by the Successful Quotationer for which contract agreement will be entered into is not rendered in time, the WBSRDA shall be entitled to levy and recover Liquidated damages/penalty at 1% per week or part thereof of the delay subject to 5% maximum, on the payment due to the Quotationer for the particular stage. Any delay beyond five weeks will attract higher penalty to be decided by the WBSRDA, maximum to the tune of 10% of the billed amount.

B.22. Other Terms & Conditions

B.22.1. The Quotationer shall commence and complete the work as per direction of the WBSRDA.

B.22.2. Other terms, if required for good performance of the work and as shall be mutually agreed upon, shall be laid down in the contract agreement.

B.22.3. In addition to above there shall be a termination clause in the contract agreement for bad and negligent performance of the Quotationer.

B.23. Governing Laws

This Quotation Document and the contract shall be governed by and interpreted in accordance with Laws in force in India. The Courts in Kolkata shall have exclusive jurisdiction in all matters arising as disputes under the contract.

B.24. Termination for Default

In the event the Quotationer fails and or neglects the terms and conditions laid down here in above or

allowed, the WBSRDA shall be at liberty to terminate and or cancel the Work Order/Contract agreement, as the case may be, giving 7 (Seven) days' notice.

Section C – Scope of Work

C.1. The main scope of work is identification of bridges under rural connectivity scheme

C.1.1. Procedure to be adopted for identification:

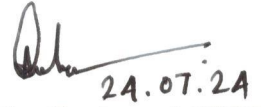

- The identification shall be made for small, minor, major and long span bridges only. The total length of cross drainage works exceeds 6m between inner faces of dirt wall considered as bridge. No identification shall be made for slab / pipe culvert when total length is less than 6m.
- In case of small bridge total length exceeds 6m but less than 30m and in case of minor bridge total length exceeds 30m but less than 60m. The bridge length more than 60 m lengths classified as major bridge. All these types of bridges shall be come under identification.
- The bridge having span length more than 150m shall be considered as long span bridge. This type of bridge also comes under bridge identification.
- The bridges on the road of GP, Block, ZP and WBSRDA needs to be identified with the present scope of work. It is irrelevant the existing bridge constructed by which department. If the bridge situated on the road maintained/constructed/owned by GP, Block, ZP or WBSRDA the same will be come under the purview of this identification.
- The details like bridge location with chainages and latitude, longitude, the total bridge length, type of superstructure, substructure and foundation to be recorded at site. At least 4 numbers of photograph with the condition of approach road in both side needs to be collected. A bridge identification format also enclosed with this SOP under Annexure: A. The present ownership of the road also needs to be mentioned in the format.
- The photograph shall be taken in the following manner.
 - 1) Along the alignment of the bridge from approach.
 - 2) One side view required along the stream where number of span could be identified clearly.
 - 3) Two photograph of approach road on either side to understand Approach condition clearly. The entire photograph should be geo-tagged and the resolution should be clear.
- An online module shall be created where after providing all the details an identification number shall be generated automatically after uploading. The input data to generate bridge identification number to be provided as per rule mentioned in SOP.
- Provision shall be provided in online menu such that during uploading drop down box to be visible where option for selection of condition like good/poor/highly vulnerable needs to be selected.
- The necessary option shall be provided in online such that download of excel sheet will be possible after necessary sorting.
- The uploading of data to be made from the respective WBSRDA South 24 Parganas Division log-in.
- As this type of work required experience in the field of bridge engineering thus before uploading in website appropriate verification needs to be made by the WBSRDA South 24 Parganas Division engineers/officers.
- In latest ages all these identified bridges shall be mapped on DRRP roads.
