13. GPS enabled VTS (Vehicle Tracking System) will be introduced for the field operations as per NRIDA's guideline. The tracking hardware will be installed inside the equipments/machineries which will be used in the field by the concerned agency. This unit will send data to the monitoring center. GPS will be hired by the department and will be installed for monitoring.
- i) Once the Tracking device is installed to the equipment/machinery for a particular work at site, security of the tracking device is the liability of the contractor of the said construction work.
- ii) Change of any equipment/machinery at site during the work should not be allowed unless otherwise allowed by the concerned PIU. If change of any equipment/machinery is allowed by the PIU concern, extra charges as decided should have to be borne by the agency.
- iii) In case of any mishandling to the tracking device **@0.10% (Zero Point One Zero Percent)** of the construction cost for each damaged tracking device will be remitted as penalty.
- iv) No equipment/machinery should be removed from worksite after necessity of the said equipment/machinery until tracking device is uninstalled by the PIU concern. In this process no extra claim as hire charges of said equipments/machineries will be entertained.
- v) The agency who intends to execute multiple works should augment separate machineries for each work so that tracking & monitoring is not hampered.
14. To keep the road in good condition during the next 5 years after the completion of the construction if any additional/excess work is required over the stipulated quantity in the schedule for routine maintenance work, the same will be treated as defect liability and the Contractor has to do the maintenance work at his own cost.
15. Other details can be seen in the bidding documents. The Employer shall not be held liable for any delays due to system failure beyond its control. Even though the system will attempt to notify the bidders of any bid updates, the Employer shall not be liable for any information not received by the bidder.
